Bullying and Harassment for Managers and Supervisors Online Course

The course has been designed to provide training for all managers and supervisors in Australian organisations.

This anti-bullying and harassment training course works as standalone compliance training. It also complements larger training programs, including face-to-face training, designed to ensure positive and compliant workplace cultures.

Learning Outcomes
This course provides training in:

- the effects of bullying and harassment in the workplace
- the types of behaviour that are considered bullying and harassment.
- the responsibilities of managers and supervisors
- how to identify bullying and harassment
- how to prevent and manage bullying and harassment using a risk management approach
- how to handle incidents or reports of bullying or harassment.
Estimated Duration
85 minutes

Target Audience
The course has been designed to provide training for managers and supervisors in Australian organisations.

Cost
The cost is dependent on the number of people to be trained and the length of time they need to have access to the training.

Course features:

- professional audio
- animation and interactivity
- mobile compatibility
- formative assessments, and
- a certificate of completion
