

Alcohol and Other Drugs in the Workplace

The aim of this course is to develop your awareness of the impacts of the harmful use of alcohol and other drugs, and to outline the steps you can take to get help if you need it.

Learning Outcomes

This course will provide an understanding of:

- why your organisation has introduced an alcohol and drug policy
- the impact of the use of alcohol and other drugs in the workplace and the wider community
- reasons people use alcohol and other drugs
- alternatives to the use of alcohol and other drugs, and
- an overview of the main drugs used by Australians.

Course features:

- professional audio
- animation and interactivity
- multi-device compatible
- formative assessments, and
- a certificate of completion

Estimated Duration

75 minutes

Target Audience

The course has been designed to provide training for all staff in Australian workplaces.

Cost

The cost is dependent on the number of people to be trained and the length of time they need to have access to the training.
