## Work Health and Safety Fundamentals Online Course

This course, endorsed by the Safety Institute of Australia has been designed to provide you with an understanding of some of the issues relating to health and safety that workers may face in the workplace.

### Learning Outcomes

This course will provide an understanding of:

- health and safety responsibilities in the workplace
- an overview of the risk management process, and
- what you should expect to find in the workplace to help you work safely.

### Course Features:

- professional audio
- animation and interactivity
- multi-device compatible
- formative assessments, and
- a certificate of completion

### Estimated Duration

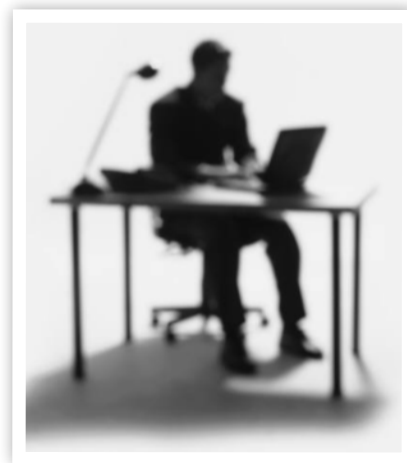

40 minutes

### Target Audience

The course has a national focus and has been designed to provide training for all staff working in Australia.

### Cost

Cost is dependent on the number of people to be trained and the length of time they need to have access to the training.
